By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify and hold harmless the State of South Carolina, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED". SURVIVAL OF OBLIGATIONS (JANUARY 2006): The Parties' rights and obligations which, by their nature, would continue beyond the termination, cancellation, rejection, or expiration of this contract shall survive such termination, cancellation, rejection, or expiration, including, but not limited to, the rights and obligations created by the following clauses: Indemnification - Third Party Claims, Intellectual Property Indemnification, and any provisions regarding warranty or audit.

It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor.

TERMINATION DUE TO UNAVAILABILITY OF FUNDS (JANUARY 2006): Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefore. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled. WAIVER (JANUARY 2006): The State does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of the State’s rights under this Contract. Any waiver must be in writing.

Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. The contractor must act as the prime contractor and assume full responsibility for any subcontractor’s performance. The contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements. [07-7B065-1]

CONTRACTOR'S USE OF STATE PROPERTY (JAN 2006)

Upon termination of the contract for any reason, the State shall have the right, upon demand, to obtain access to, and possession of, all State properties, including, but not limited to, current copies of all State application programs and necessary documentation, all data, files, intermediate materials and supplies held by the contractor. The contractor shall not use, reproduce, distribute, display, or sell any data, material, or documentation owned exclusively by the State without the State’s written consent, except to the extent necessary to carry out the work. [07-7B067-1]

DEFAULT (JANUARY 2006)

(a) (1) The state may, subject to paragraphs © and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or part if the Contractor fails to:

(i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
(ii) Make progress, so as to endanger performance of this contract (but see paragraph (a) (2) of this clause; or
(iii) Perform any of the other material provisions of this contract (but see paragraph (a) (2) of this clause).
(2) The State’s right to terminate this contract under subdivisions (a) (1) (ii) and (1) (iii) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If the State terminates this contract in whole or in part, it may acquire, under the terms and in the manner he Procurement Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity,
fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtained from other sources in sufficient time or the Contractor to meet the required delivery schedule.

(e) If this contract is terminated for default, the State may require the Contractor to transfer title and deliver to the State, as directed by the Procurement Officer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as “manufacturing materials” in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the Contractor shall also protect and preserve property in its possession in which the State has an interest.

(f) The State shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor’s rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the termination had been issued for the convenience of the State, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.

(h) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this contract. [07-7B075-1]

DISPOSAL OF PACKAGING (JAN 2006)

INDEMNIFICATION – THIRD PARTY CLAIMS (JAN 2006)

Notwithstanding any limitation in this agreement, Contractor shall defined and indemnify the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all suits or claims of any nature (and all damages, settlement payments, attorney’s fees, costs, expenses, losses or liabilities attributable thereto) by any third party which arise out of, or result in any way from, any defect in the goods or services acquired hereunder or from any act or omission of Contractor, its subcontractors, their employees, workmen, servants or agents. Contractor shall be given written notice of any suit or claim. State shall allow Contractor to defend such claim so long as such defense is diligently and capably prosecuted through legal counsel. State shall allow Contractor to settle such suit or claim so long as (i) all settlement payments are made by (and any deferred settlement payments are the sole liability of) Contractor, and (ii) the settlement imposes no non-monetary obligation upon State. State shall not admit liability or agree to a settlement or other disposition of the suit or claim, in whole or in part, without the prior written consent of Contractor. State shall reasonably cooperate with Contractor’s defense of such suit or claim. The obligations of this paragraph shall survive termination of the parties’ agreement. [07-7B100-1]

INTELLECTUAL PROPERTY INFRINGEMENT (JAN 2006)

Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the State, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all suits or claims of any nature (and all damages, settlement payments, attorney’s fees, costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. State shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. State shall allow Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon State. State shall reasonably cooperate with Contractor’s defense of such claim. (b) In the event an injunction or order shall be obtained against State’s use of any acquired item, or if in Contractor’s opinion, the acquired items is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for State the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item or its use by State. If neither (1) nor (2), above, is practical, State may require that Contractor remove the acquired item from State, refund to State any charges paid by State therefore, and take all steps necessary to have State released from any further liability. (c) Contractors obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by Contractor’s compliance with specifications furnished by the State unless Contractor knew its compliance with the State’s specifications would infringe an IP right, or (ii) that the claim is caused by Contractor’s compliance with specifications furnished by the State if the State knowingly relied on a third party’s IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor. (d) As used in this paragraph,
these terms are defined as follows: “IP right(s) means a patent, copyright, trademark, trade secret, or any other proprietary right. “Acquired item(s)” means the rights, goods, or services furnished under this agreement. “Specification(s)” means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work. (e) Contractor’s obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement. [07-7B105-1]

LICENSES AND PERMITS (JAN 2006)

During the term of the contract, the Contractor shall be responsible for obtaining, and maintaining in good standing, all licenses (including professional licenses, if any), permits, inspections and related fees for each or any such licenses, permits and/or inspections required by the State, county, city or other government entity or unit to accomplish the work specified in this solicitation and the contract. [07-7B115-1]

(a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
(b) by unit prices specified in the Contract or subsequently agreed upon;
(c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;

(1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the State. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.
(2) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the State has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that the State has breached the contract by exercise of the Termination for Convenience Clause.
(4) Compensation. (a) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. (c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:
(i) contract prices for supplies or services accepted under the contract;
(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;
(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of
(c) Any costs, except those provided for in subparagraph (b) of this paragraph, that have resulted from the termination and are borne by the contractor shall be reimbursed by the state; provided, however, that such costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph; (iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the state's right to require the termination of a subcontract, or (ii) increase the obligation of the state beyond what it would have been if the subcontract had contained an appropriate clause.

The University Police and the event management team will ensure the highest level of safety and quality service that is required for the 2009-2010 University events.

Scope of Work

Specifications

At the very least, the personnel needs address the items listed below. Five games have been scheduled for the 2008 football season. No fewer than 45 and no more than 55 event staffers are needed for each of the following games: September 26, 2009, October 17, 2009, October 31, 2009, November 14, 2009 and November 21, 2009. In addition, an appropriate number of agents should also be available for the South Carolina High School League (SCHSL) Class A championship games on November 27, 2009. Supervisors at the ratio of 1:12 should be provided for each event, to include at least six armed supervisors per football game.

This contract may include other activities internal and external to Athletics. Those activities will be addressed as the need arises.

The vendor must have at least sixty (60) staff members ready to rotate for each event. No staff should be allowed to work more than eight (8) consecutive hours at a time.

Dress Code/Appearance

Event staff personnel must be well groomed and dressed in like uniforms. Vendor must provide a top (t-shirt) that depicts the purpose for which it is worn and the words EVENT STAFF (4 to 6 inches in size) must be seen on the back of the top. A noticeable color, like yellow, is suggested. Event staff personnel must wear the same tasteful color bottom (pants). Agents must wear same type rain gear with EVENT STAFF printed on the back while on duty during inclement weather. Parking and traffic control staff must also wear reflective yellow or orange vests while on duty. In addition, each staffer must utilize a yellow or orange cone flesh light while parking cars and/or directing traffic._(Preference is to have agents that look like police officers.)

The shirt must be worn in a way that it can be seen from a reasonable distance and that the words EVENT STAFF are always visible. The shirt must be neatly tucked into the trouser at all time.
Head gear is allowed as long as it is a uniformed cap or hat. However, hair style must be neat and clean.

**Customer Service**

Event management personnel must be committed to their work and perform their duties with the highest level of customer service, i.e., speak clearly and distinctly to the patrons, smile when necessary, do not engage in unnecessary exchanges with patrons, not use positive expressions like, “May I help you,” or “Let me help you find your seat”, instead of expressions like “I don’t know” when it is better to seek an answer, perform duties with enthusiasm, refrain from leaving assigned post without expressed permission from supervision, refrain from eating and drinking while on duty, and refrain from standing on duty with hands in pockets.

**Employment**

The contractor must provide evidence of liability insurance in the amount of $1,000,000.00 and provide workman’s compensation for all employees. The contractor will comply with all employment laws, including the provisions of the Fair Labor Standards Act of 1939, as amended, and all other applicable federal, state and local laws, regulations, orders, ordinances and codes. The successful contractor must not discriminate against any employee or applicant for employment because of race, creed, color, age, sex or national origin. The University reserves the right to request replacement of any employee whose actions are not considered to be not in the best interest of the University. Such a request will be taken only after consultation between the successful contractor and designated University officials. The employee must be bonded in the amount of $75,000.00.

**Background Check**

The successful contractor must provide written document attesting to the fact that all employees used on the event management must have cleared background checks prior to employment on the event management team, to include fingerprinting. The contractor must maintain and provide request personal data of employees.

**Cost of Contract**

The cost of this contract should be fair and reasonable. This amount includes all services and uniform needs. The Department of Intercollegiate Athletics shall be the primary contractor. The option remains available for the vendor to serve other entities of the University outside of this contract.

**Assignments and Work Schedules**

The maximum number of event staff must never be exceeded unless authorized by Game Management. The contracted vendor must provide a representative at all football game management meetings (dates to be announced).
The contracted vendor must agree to extensive training on parking techniques and traffic control skills given by the South Carolina State University Police Department. Agents as well as supervisors must attend such training, without exception.

The University may without cost, cancel any work schedule or assignment upon notice to the company.

**Traffic Control**

No fewer than 20 event staff personnel must arrive on site at least four hours prior to the event to perform traffic control duties. These duties must be performed under the supervision of the University Police Department throughout the event. While it may be likely that traffic control duties may ebb during the shift, event staff must report back to traffic control duties at the beginning of the last quarter of play during the football season. The traffic control staff must remain on duty for at least one and one-half hour after the end of the football game.

Event staff personnel must be trained by contractor at least two days prior to the first event on the traffic control scheme to be utilized. **Attendance at the parking training is required.** The training will be conducted by the University Police Department.
