Inside Back Cover
Today, South Carolina State University welcomes home her loyal sons and daughters.

The South Carolina State University Office of Alumni Relations is proud to sponsor the 2007 Annual Alumni Honors and Awards Banquet. By so doing, we provide a forum for the delivery of concern and love to our Alma Mater. The featured classes for this year are the Golden Class of 1957 and the Silver Class of 1982. Also spotlighted are the classes of 1932, 1937, 1942, 1947, 1952, 1962, 1967, 1972, 1977, and the newly reactivated Alumni Half Century Club Members (comprising of alumni who graduated 51 years or more ago).

The Banquet also gives honor to the outstanding alumni chapters and to individuals who have distinguished themselves during the year. We give them the recognition they so richly deserve for their productive efforts on behalf of our Association and our University.

Moreover, we are here in reunion. It is true that the Golden and Silver classes are featured along with nine other classes and the Alumni Half Century Club; however, it is a time of reunion for all of us—the National Alumni Association and its chapter representatives; for other reunion groups; for the parents of the young lieutenants who were commissioned; for the parents of alumni who graduated yesterday; and all other alumni, friends and supporters of South Carolina State University.

Whether it’s called May Weekend, Alumni Weekend or Reunion Weekend, the weekend of May 11 - 13, 2007 can best be described as a Family Reunion Weekend. We have a common frame of reference. We started at SC State as a family and from that start, we have worked and received our degrees and have gone our separate ways, always striving to give due credit to our Alma Mater in our performance and service to mankind.

Well, here you are, back once more. This time you will travel the halls of the University as an observer rather than as a student participant. What you will find are memories around every corner. You will reminisce about the good ole’ days at our Alma Mater; renew old acquaintances; reflect on past experiences; and, yes, give back!

Whatever this weekend means to you, please know that President Andrew Hugine and the entire University Family are happy and proud to welcome you back to South Carolina State University. As the saying goes, there is no place like home – Welcome Home.

Message From President Hugine

I would like to express my sincere gratitude to all alumni of South Carolina State University for your continued and unwavering support of Alma Mater. South Carolina State University is an institution of rich history and we will continue our tradition of producing leaders for this state, nation and world.

I applaud the alumni for recognizing the needs of our University by giving of your time, talent and resources. I am proud to be President of this great institution and even more proud to be an alumnus. I ask for your continued support as we continue our journey to greatness.

Sincerely,

Dr. Andrew Hugine, Jr., ’71, ’74
President
South Carolina State University

From The National Alumni Association President

This administrative team would like to take this opportunity to thank all who have been so supportive over the past two years of the initiatives we embarked upon. Our theme “Ideas + Action = Success” was truly indicative of our work. We accepted new Ideas, put them into Action, and experienced great Success. From our 2005-2007 Strategic Plan; to more active involvement in planning our national conventions; to creating a user friendly website; to a magnificent convention in Philadelphia; and then to the unveiling of our inaugural 2007 calendar of stellar alumni; we have worked to raise the bar of the Association to a greater height.

With the structure of the University being transformed, this has truly been an exciting time to be president of our Association and for all alumni to take an active interest in the growth of the University.

Plans for the 2007 convention are near the final stages. With the theme “Our University – Our Responsibility”, I hope to see you in Orangeburg, July 26-29, 2007 on the campus of SC State University, for four days of making a difference as an alumnus.

Sincerely,

Patricia Lott

Alma Mater

Sing the praise of Alma Mater
Let us rally to her calls
Lift our voices, send them ringing
Thru the groves and classic halls.

Hail! Hail! Dear Alma Mater
Hail! Hail! Dear S.C.C.
We'll defend and honor
Love and cherish thee.

We are loyal sons and daughters
Proud to own the name we bear,
For the truths that thou has taught us
Ready all to do and dare.

--Robert Shaw Wilkinson
(Second President, 1911-1932)

Words written by Dr. Robert Shaw Wilkinson, second president of South Carolina State College. Mr. Ted D. Phillips, an alumnus, wrote the music.
