## *H*onors and Awards Convocation

---

This occasion has been designated as an appropriate time to honor students who have distinguished themselves in scholarship and service. Such distinctions are manifested through the attainment of Presidential Medallions, academic scholarships and induction into academic honor societies.

## *P*residential Scholar Awards

---

The Presidential Scholar Awards were initiated in 1977 by Dr. M. Maceo Nance, Jr., the fifth President of South Carolina State University. The underlying objectives for establishing the awards were (1) to recognize students who demonstrate academic excellence; (2) to encourage those who demonstrate academic excellence to maintain and achieve higher levels of academic pursuits; (3) to provide symbolic recognition via the Presidential Medallion, which would be significant to those who earn the award and to those who view the same; and (4) to provide an incentive to all students to achieve academic excellence. This established tradition at the University continues to preserve our legacy.

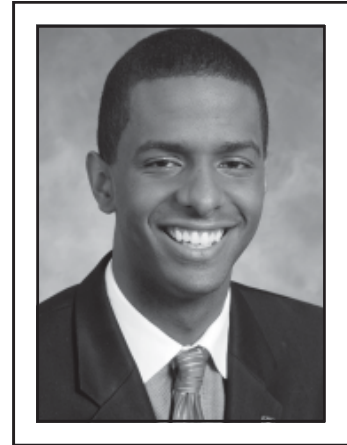

A recipient of the Presidential Scholar Award must be a full-time, regularly enrolled, degree-seeking undergraduate at the University. To qualify for a medallion, freshmen and transfer students must not have taken any remedial courses that are prerequisites to degree programs. To qualify for a gold medallion, freshmen and transfer students must have averages of 3.94 to 4.00. Medallions are awarded based upon the following criteria:

BRONZE MEDALLION	3.00-3.49	cumulative grade point average
SILVER MEDALLION	3.50-3.74	cumulative grade point average
GOLD MEDALLION	3.75-4.00	cumulative grade point average

Students whose enrollment status are reduced to part-time as a result of participation in special programs will be evaluated on their performance during the fall semester of the year of the award and the prior spring or summer full-time enrollment.

## BAKARI T. SELLERS

SOUTH CAROLINA HOUSE OF REPRESENTATIVES  
DISTRICT 90, BAMBERG, BARNWELL AND ORANGEBURG COUNTIES

Bakari T. Sellers was raised in the town of Denmark, South Carolina and has always been involved in local community activities. Representative Sellers graduated from the South Carolina public school system, and then proceeded to Morehouse College where he earned a Bachelor of Arts degree. While at Morehouse College, Sellers was elected Student Government Association President and, by virtue of his position, served on the College's Board of Trustees. He now continues his education at the University of South Carolina School of Law. Sellers began his journey in the realm of politics by working for United States Congressman James E. Clyburn, Atlanta Mayor Shirley Franklin, and the Southeastern Regional Director of the NAACP. These experiences have inspired him to engage in "not politics, but public service."

Representative Sellers views on:

### **Economic Development**

In an effort to stimulate economic growth Sellers believes in the following action plan:

- Pursuing excellence in education
- Improving relationships between local institutions of higher learning, the private business community, and government officials
- Marketing the community with specific emphasis on skilled labor force provided yearly by Voorhees College and Denmark Technical College
- Provide tax incentives to prospective companies only if research and development is performed in the state.

Immediate attention must be given to workforce development and job creation. It is of the utmost importance to Sellers that steps be taken to improve the quality of life of all residents of our community and economic opportunities be created.

### **Education**

In 1868, a state constitutional provision was made to ensure that every child in South Carolina have the opportunity to attend free and open public schools. This provision remains in our constitution today. Sellers is a proponent of public school education and is of the belief, "every child should have access to a first-class education." The answer to South Carolina's educational problems is not vouchers, which would undoubtedly disassemble the state's public school system and violate the 1868 provision.

Sellers instead hopes to end the inequality in public school funding that has caused students in high-poverty, low-income districts to receive a "discount education." Investment in these districts would in turn provide a good economic return. Better education equates to better jobs.

### **Healthcare**

In communities where we depend on the healthcare provided by our county hospitals, we must ensure that these hospitals receive the funding needed to operate efficiently. Sellers believes that there must be a conscious effort made to support our county hospitals. Where else can our rural citizens receive timely and often life saving treatment? Sellers believes that we must not cut funding to Medicare and Medicaid and that we must give full support to our county hospitals.

## *L*ift Ev'ry Voice and Sing

---

*Lift ev'ry voice and sing,  
Till earth and heaven ring,  
Ring with the harmonies of Liberty;  
Let our rejoicing rise,  
High as the listening skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.*

*Stoney the road we trod,  
Bitter the chast'ning rod,  
Felt in the days when hope unborn had died;  
Yet with a steady beat,  
Have not our weary feet,  
Come to the place for which our fathers sighed?  
We have come over a way that with tears has been watered,  
We have come, treading our path through the blood of the slaughtered,  
Out from the gloomy past, Till now we stand at last  
Where the white gleam of our bright star is cast.*

*God of our weary years,  
God of our silent tears,  
Thou who has brought us thus far on the way;  
Thou who has by Thy might,  
Lead us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, Our God, where we met Thee,  
Lest our hearts, drunk with the wine of the world, we forget Thee,  
Shadowed beneath Thy hand, may we forever stand,  
True to our GOD, True to our native land.*

## *A*lma Mater

---

*Sing the praise of Alma Mater  
Let us rally to her calls  
Lift our voices, send them ringing  
Thru the groves and classic halls.*

*Hail! Hail! Dear Alma Mater  
Hail! Hail! Dear S.C.C.  
We'll defend and honor  
Love and cherish thee.*

*We are loyal sons and daughters  
Proud to own the name we bear,  
For the truths that thou has taught us  
Ready all to do and dare.*

**--Robert Shaw Wilkinson**  
*(Second President, 1911-1932)*

Words written by Dr. Robert Shaw Wilkinson, second president of South Carolina State College. Mr. Ted D. Phillips, an alumnus, wrote the music.
