A Leader’s Prayer Inside Back Cover
Greetings:

Congratulations on the 60th Anniversary of the Reserve Officers’ Training Corps (ROTC) program at South Carolina State University. I am pleased that we are honoring and paying special tribute to the ROTC Program, its legacy, and our distinguished graduates of this great institution who have made remarkable contributions to our nation and to the world.

ROTC offers high-level leadership, management and communication training. It broadens one’s comprehension, sharpens one’s sense of responsibility, and develops a maturity of judgment that will serve as a source of strength and confidence throughout one’s life, regardless of one’s chosen career.

South Carolina State University’s ROTC Program is proud of its distinction as one of the largest producers of African American officers for the Army in this nation. We thank our military graduates for your unwavering service to our country and ask for your continued support to our University. We challenge you to continue the Legacy of Excellence.

The entire University family joins me in wishing you a successful 60th Anniversary and we look forward to celebrating many more years of service to our nation.

Sincerely,

Andrew Hugine, Jr., Ph.D.
President
Greetings:

The South Carolina State University’s Army ROTC Program welcomes our graduates, friends and family members as we celebrate 60 years of Excellence at the university. I honor all graduates who have served and continue to serve our great nation. Our theme, “60 years of Excellence, the Legacy Continues” is most appropriate for this occasion.

Bulldogs have fought and died in every war that our military has participated in for the past century. Whether serving in the Active or Reserve component of the services or the Army National Guard, our graduates have made lasting contributions toward maintaining peace and stability around the world.

I am a very proud product of our Army ROTC program and I want to express my sincere gratitude to all of you who continue to provide support and encouragement. We may not be as large as we were when I departed this university nearly twenty years ago; however, we will strive for excellence as we grow a program that’s full of the kind of pride and commitment that has served us well for so long.

Thanks to the Cadets and Cadre members of the “Bulldog Battalion” for making the events of the 60th Anniversary Celebration a success. Thanks to the Military Alumni Association and the University family for your support of this occasion. I ask each of you to continue talking to young people about attending college and about the many opportunities that are available through participation in senior ROTC.

The History of Army ROTC at South Carolina State University

The Department of Military Science was established at South Carolina State University (formerly South Carolina Agricultural and Mechanical College) during School Year 1947-48. The first graduating class in 1949 consisted of six cadets: five received Regular Army commissions and one received a Reserve commission. Since the establishment of ROTC at South Carolina State University, 1993 students have received commissions in the Armed Forces as of 31 Dec 2006.

The Army ROTC program was initially branch material, producing only Infantry officers. The program was supplanted in 1954 by the General Military Science Program enabling graduating cadets to select the branch of the Army in which they were most interested and qualified. From 1947 until 1968, enrollment in the ROTC program was mandatory for the able-bodied freshman and sophomore male students.

A cross-enrollment program was initiated in 1968 to permit students from other local institutions, without an ROTC program, to receive training at South Carolina State University and remain at the institution of their choice. To date, South Carolina State University has a cross-enrollment agreement with Claflin University, Voorhees College, Denmark Technical College and Orangeburg-Calhoun Technical College.

During academic year 1972-73, the Department of the Army initiated, on a trial basis, a five-year program of enrolling women in ROTC. South Carolina State University was one of ten institutions selected nationwide to participate in this program. The first females graduated in 1976. Since the enrollment of females, South Carolina State University has commissioned 254 females.

As of this date, eleven South Carolina State University Army ROTC graduates have achieved the rank of General Officer: Brigadier General (Retired) George B. Price, ’51; Major General (Retired) James R. Klugh, ’53; Lieutenant General (Retired) Henry Doctor, Jr., ’54; Major General George F. Bowman, ’69, (United States Army National Guard); Brigadier General Harold L. Mitchell, ’72 (United States Air Force); Major General Larry Knightner ’72 (United States Army Reserves); Major General Abraham J. Turner,’76; Brigadier General Nolen V. Bivens, ’76, Brigadier General Frederick J. Johnson, ’76 and Brigadier General Julius J. Lawton, ’69. Also, Brigadier General Amos M. Gailliard began his distinguished military career at South Carolina State University Army ROTC program, ’51, (United States Army National Guard).

We also recognize two South Carolina State University graduates who achieved the rank of General Officer in the United States Marine Corps: Major General Arnold Fields, ’68 and Brigadier General Clifford L. Stanley, ’69.

The Bulldog Battalion currently averages approximately 100 cadets and is still recognized as one of the largest producer of minority officers for the United States Army.

*Known to be on active duty
In memory of those ROTC graduates who lost their lives in service to their country.
Almighty God, Whose will it is that we be leader of men,  
Hear us as we come to You for guidance in this awesome responsibility.

Let us never forget our duty to the men and women we lead.  
May we instill in them the qualities of loyalty, integrity, and duty.

Grant us patience in dealing with the mistakes of our fellow man.  
Let us never forget that no man is perfect, but that perfection for fragile humans is trying each day to be better than the day before.

Give us courage, O Lord, in the face of danger.  
Keep us pure in heart, clean in mind, and strong of purpose.

Remind us that wisdom is not gained in an hour, a day, or a year, but that it is a process that continued all the days of our lives.

Keep ever before us our goal, which is not to perpetrate war but to safeguard peace and preserve Your great gift to man – freedom.

May You always be near, to guide us in our decisions, comfort us in our failures, and keep us humble in our successes.

We ask Your divine blessings and leadership as we discharge the Honor and Responsibilities of leading men and women in the device of our country. Walk close to us always, Our Father, that we may not fail.

In Jesus’ Name
Amen
