

2008-2009

Division of Student Affairs: Counseling and Self Development Center

Mission: To provide services that enable students to define and accomplish personal goals and cope with situations or experiences that could impede their personal growth and development.

Purpose: Address the developmental needs of SC State University's students.

Goal	Objective	Measure	Results	Usage
Provide counseling services that enable students to define and accomplish personal goals and cope with situations or experiences that could impede their personal growth	To ensure that student counseling and adjustment needs are being met by and providing services that are conducive to their development	Compare the number of appointment students actually attended during the 08-09 academic year versus the number of appointments they attended in 07-08		
Provide opportunities for students to benefit from counseling through services which allow them to engage with their peers	To foster problem-solving that relies upon shared experiences and learning from others through group counseling modalities	Review self assessment from 07-08 and compare student involvement in groups during the 07-08 and 08-09 academic years		
Enhance student awareness through the provision of information and education related to mental health issues affecting the college student population	Provide outreach services to the SC State campus and community that bear relevance for students' growth and development	Increase programs and services in the residence halls, on campus, and in conjunction with the community to reach residential and commuter students, as well as other university stakeholders		

<p>Disabled Student Support Services Provide support services, programs, and classroom accommodations for students with qualifying needs</p>	<p>To ensure that no student is excluded from or otherwise hindered in the learning process by reason of their disabilities</p>	<p>Compare the number of students seeking special classroom accommodations during the 07-08 academic year with numbers from the 08-09 academic year</p>		
<p>Testing Office Provide a venue for student access to major standardized tests administered nationally for graduate and professional school admission</p>	<p>To foster the pursuit of graduate, professional, and other post-secondary educational training opportunities among SC State students</p>	<p>Compare the number of students taking national standardized exams during the 07-08 academic year with the number registered during the 08-09 academic year</p>
