Quarter Century Club

The Quarter Century Club of South Carolina State University was officially organized in 1970

to honor eighteen faculty and staff members who had completed 25 years

of service to the college. During the first formal observance of Founders' Day on March 3, 1938, six faculty members were awarded certificates for 25 years or more of distinguished service to the institution.

All of the charter members have retired, seventeen of whom are deceased. Annually, membership is increased in this select body of men and women who have contributed to the continued growth and development of South Carolina State University. Induction into the Quarter Century Club is a part of the Annual Founders' Day Celebration.

Evening Song

*When shadows steal across the way,
Our love for thee turns night to day
A love that's true as ocean's blue
And ever will abide,
We pledge ourselves with loyalty,
Dear Alma Mater, still for thee.
We hear thy call;
We give our all to thee at eventide.*
