A MESSAGE FROM THE PRESIDENT

Dear Honorees:

Today, it gives me great pleasure and honor to salute you on the occasion of your retirement from South Carolina State University. Our institution is greater because of you, the loyal individuals who have committed time and talent to the fulfillment of our mission. You have certainly demonstrated this over the years that you were a member of the University family. Your experience and expertise in your respective areas contributed greatly to the quality of the living and learning environment on our campus.

The service you have provided has been in a number of areas; however, it all worked together for the good of the entire University. Upon your completion of service, you will join the ranks of our many distinguished retirees. Thank you for your contributions to South Carolina State University and we wish you the very best. Best wishes to you for a very relaxing retirement.

Sincerely,

George E. Cooper
President
