Looking Ahead For Fall 2014

August 15th, 2014

Move In Day
For Returning Students
9:00am-5:00pm

24-Hour Quiet Hours
Begins April 28th 6:00pm— Ends May 5th 6:00pm

KEEP CALM AND Respect Quiet Hours
1. It is best to review the material right after class when it’s still fresh in your memory.

2. Don’t try to do all your studying the night before the test. Instead, space out your studying, review class materials at least several times a week, focusing on one topic at a time.

3. Find a comfortable and quiet place to study with good lighting and little distractions.

4. Start out by studying the most important information.

5. Learn the general concepts first, don’t worry about learning the details until you have learned the main ideas.

6. Take notes and write down a summary of the important ideas as you read through your study material.

7. Space out your studying, you’ll learn more by studying a little every day instead of waiting to cram at the last minute.

8. Make sure that you understand the material well, don’t just read through the material and try to memorize everything.

9. If you choose to study in a group, only study with others who are serious about the test.

10. Test yourself or have someone test you on the material to find out what your weak and strong areas are.

11. Listening to relaxing music such as classical or jazz on a low volume can relieve some of the boredom of studying.

12. Don’t study later than the time you usually go to sleep, you may fall asleep or be tempted to go to sleep.

THE BOTTOM LINE: CHECKING OUT PROPERLY IS IMPORTANT;

Please make sure that you complete the following checklist prior to your departure:

BATHROOM
- Clean toilet, sink, and bathtub (we don’t like mildew any more than you do! That brown ring was not there when you moved in!)
- Sweep and mop floors
- Remove all garbage
- Remove shower curtains (UV Residents)
- Remove all personal bathroom accessories (Ex: Shower mat, toilet bowl brush, etc.)

KITCHEN
- Clean refrigerator. This means take everything out. Hugine Suites & UV residents do not unsnug refrigerators.

- Clean stove and oven. Spray and wipe oven cleaner works wonders. Dollar General makes a good product that will only cost you a buck! (UV Residents)
- Clean microwave (Hugine Suites and UV residents)
- Remove all items from cabinets and wipe them out.
- Clean countertops and sink
- Sweep and mop floor
- Don’t leave dishes in the sink!
- Remove all garbage

LIVING ROOM/Common Area
- Wipe off kitchen table and chairs
- Vacuum carpet
- Clean under sofa/ouch/chair cushions

If the resident does not complete the aforementioned, she will be documented as a failure to comply with Residence Life & Housing policies and fined. Your Building Staff will be conducting a hall meeting no later than Thursday, April 24, 2014 to review the policies and procedures for the spring closing. If there are any questions, please contact your Building Staff.
