## **Student Registration Responsibilities**

**When a student is officially registered for a course, it is the student’s responsibility, not the instructor, to officially withdraw from the course or the University.** Failure to notify the University before the end of the 100% refund period will result in the student being responsible for late fees and charges. All students who fail to officially withdraw from a course or University are subject to the Grading Policies outlined in the University Catalog.

**It is the student’s responsibility to check all fees and validate enrollment via Bulldog Connection and the University Catalog.** A student is not officially registered until all fees are paid and enrollment validated prior to the registration deadline.

**When making a Registration Change, it is the student’s responsibility to ensure that the proper form has been processed by the published deadlines on the Academic Calendar.**

Should you decide not to attend a class or not come to school after you have officially completed Registration, **you must drop the course on Bulldog Connection. To withdraw from the University, it is necessary to complete a University Withdrawal Form.** These procedures should be followed even if you registered “Early” and are unable to return.
