OFFICE OF
STUDENT DISABILITY SERVICES

Office of Student Disability Services offers a variety of services for students with documented disabilities including but not limited to students with learning disabilities, those who are deaf or hard of hearing, those who are visual or mobility impaired, and/or those who are diagnosed with a psychiatric or medical disorder(s).
The Disability Enhancement Project welcomes you SC State University!

SC State University seeks to provide students with disabilities the opportunity to participate fully in its educational programs and services. In keeping with this philosophy, it is University policy that students with documented disabilities receive reasonable accommodation by way of access to classroom information and course modification.

ABOUT US

The Disability Enhancement Program is designed to increase the awareness of faculty, staff, and administrators at SC State University to support the academic needs of students with disabilities. The program will develop, train and provide technical assistance along with valuable and resourceful teaching methods to enhance student achievement. Accordingly, providing faculty and staff with the skills and support necessary to teach students with disabilities, and thereby enhancing the post secondary educational experiences of identified students to ensure their success while attending SC State University.

• The project increases the percentage of faculty trained in project activities that incorporate elements for training into their classroom teaching;
• To improve the quality of higher education for students with disabilities
• Improve communications between students; and students and faculty regarding disabilities
• Increase the availability of assistive technology to ensure access and accommodations to higher education for students with disabilities
• Maintain and enhance cooperative relationship with Student Disability Services, State-Federal VR programs and other cooperating non-profit rehabilitation agencies and facilities and advocacy groups

SERVICES

• In-service training workshops
• Professional development
• Customized and General technical assistance workshops
• Annual Summer Training Institutes
• Hands-on training in assistance and other educational technology

MISSION

The mission of the Disability Enhancement Program is to increase the capacity of faculty, staff, and administrators to support the unique instructional and academic service needs of students with disabilities at SC State University. We also seek to foster a positive attitudinal and behavioral response from faculty and staff when interacting with persons with disabilities.
