The graduate certificate program for Human Development Consultant is designed for learners who are currently enrolled in Individual and Family Development or a related graduate degree program at SCSU. In addition, students who have earned a graduate degree in a related discipline from an accredited institution may also enroll in this program.

This particular certificate helps to prepare individuals for careers in a broad range of positions that focus toward the normal stages of human development with emphases on family as the core.

This certificate program consists of 15 semester hours of coursework, which is the equivalent of five courses. Students must enroll in the following courses:

-  IFD 501 Family Life Education **OR**
IFD 525 Contemporary Aspects of Education for Parenthood
-  IFD 515 Family: Middle and Later Years
-  IFD 516 Individual and Family Development
-  IFD 520 Advanced Child Development **OR**
CED 511 Child Growth and Development
-  CED 518 Consultation
