

Financial Aid Checklist for Incoming Freshmen

Use this checklist as a guide to help you apply for aid, review your awards, and pay your fees. We hope you find this list helpful, but it is intentionally brief. We encourage you to read our entire web site to gain a fuller understanding of the entire financial aid process.

Apply For Aid

- Complete the [Free Application For Federal Student Aid](#) (FAFSA). This application is required for most types of federal financial aid including student loans and is completed on the web.
 - ✓ Be sure to use the IRS Data Retrieval Tool, it allows you to use your completed tax return to automatically complete portions of the FAFSA. It's easy, it reduces errors and makes the entire application process easier.

When completing the FAFSA you will need a PIN. If you need to provide parent information on the FAFSA, your parent will also need a PIN. You can obtain PINs at <http://www.pin.ed.gov>

- ✓ **SC State University's School Code is 003446** - If you already have a FAFSA on file with another school for the same school year, add the SC State University's school code to the school list on the FAFSA. You can do this by going to www.fafsa.gov and follow the directions in Step 3 to "Add or Delete a School Code."
 - ✓ While filling out the FAFSA, you are encouraged to provide your consent to allow the IRS to populate the applicable income fields on the FAFSA with data from your federal tax return. If you chose not to participate in this process, you will be required to obtain a tax transcript for student and/or parent(s) from the IRS and send a signed copy to our office if the FAFSA is selected for Verification Review by the Department of Education.

- Check the status of your financial aid application on [Bulldog Connection](#) for any needed information. Federal aid will not be awarded until your application is complete and any requested verification documents have been received.
 - ✓ Remember that it could take 1 to 2 weeks for SC State University's Office of Financial Aid to receive the results of your application from the FAFSA Processor.
 - ✓ Make sure your application is complete before SC State's May 1st priority deadline. If your status is not complete by May 1st, then you may miss out on awards that have limited funding. You may, however, continue to apply after that date to receive Pell Grants and Federal Direct Loans.

- Check your awards on [Bulldog Connection](#). You will automatically be considered for Federal Grants and Federal Direct Loans. After you have been awarded, you can decide if other aid is needed.
 - ✓ SC State University starts awarding Federal Aid after March 1st.

- If additional funds are needed and you are a dependent student, you and your parents may consider a [Federal Direct Parent \(PLUS\) loan](#). The application and request for credit check can be completed online at www.studentloans.gov.
- Only as a last resort, you may wish to consider a Private Educational Loan.
