ADOPTION OF AGENDA

Chairman Small asked for a motion to adopt the agenda. Trustee Corbitt made a motion to adopt the agenda. The motion was seconded by Trustee Henegan. Vote: unanimously approved.

RATIFICATION OF ORGANIZATIONAL STRUCTURE

The Chair stated that during the March 10th Board meeting, there was some discussion on the approval of the organizational structure with some minor modifications necessary before submitting to SACSCOC. It was understood that the Board’s Executive Committee Members would be authorized to give tentative approval subject to ratification by the Board. That process has followed the agreed upon understanding and the document is now before the Board to be ratified. The Chair asked for a motion to ratify the organizational structure. Trustee Nielsen asked if any changes made to the last structure he saw. Dr. Evans indicated that no additional changes were made once it was submitted to the Board.

Trustee Grant made a motion to approve the ratification of the organizational structure. The motion was seconded by Trustee Joyner-Fleming. Oppose: One. Trustee Nielsen said that is opposing the adoption of the document at this time because he wants to make certain state regulations were not violated. The motion passes 9 to 1.
CAPITAL CAMPAIGN UPDATE

Mr. A.L. Fleming shared that information was requested on the general update for the capital campaign. The Board gave preliminary approval for preserving the Legacy Campaign, a $20M in three years effort, and approval to move forward after some research: 1) Institutional Advancement Staff, in conjunction with the General Counsel should determine whether the name or website and slogans were trademarked, and if we are able to copy right them. Since that time, general counsel and outside legal counsel have established that the University may proceed with the usage of the name.

At the next Institutional Advancement Committee meeting, Mr. Fleming will return with a recommendation from the staff to proceed officially with the Capital Campaign. The Institutional Advancement Committee has begun to identify individuals for the Capital Campaign Committee, persons of national note.

In preparation for the Capital Campaign launch, an alumni update form was placed on the University website. Since Wednesday, March 11, 2015, over 700 SC State alumni updates have been made in preparation for the Capital Campaign.

Additionally, a wealth screen of 24,553 alumni records are in the database to determine those individuals’ capacity and willingness to give towards the Capital Campaign.

A proposal for a new endowment policy will be presented, along with a proposal for new naming of building policy to the Board. Students are utilizing the campus call center, which was constructed in February 2015 to make contact with alumni. Mr. Fleming will continue to work with the University’s foundations. Since the start of this fiscal year $640,117 has been raised; this figure places institution a little ahead of last year at this point.

In April, the University will be the School of the Month for the Tom Joyner Morning Show. The SCSU Foundation will host its annual Scholarship Gala on Saturday, March 21st. The University’s current endowment is approximately at $4.5M (restricted funds). The SCSU Foundation has approximately $7M in assets.

The committee will bring forth for recommendation a stipulation that will allow when the debt for the University is met, any dollars that have been raised towards debt retirement will then be used for student scholarships or other need base funds. This statement would be presented to all Capital Campaign Donors for Debt Retirement.

Concerning campus infrastructure, Mr. Fleming had a discussion with the Director of the I.P. Stanback Museum & Planetarium regarding a preservation room, naming opportunities for the planetarium, and a new projector system.

Institutional Advancement will seek to include funding opportunities for a planetarium manager at the I.P. Stanback Museum. Additionally, the division will continue to raise funds for the annual fund which is for the need base scholarships and other University related functions.
