Mr. Robert Johnson is the Middle School Mathematics teachers at Felton Laboratory School. Mr. Johnson currently holds a Master Degree in Mathematics Education and a Bachelors Degree in Accounting, both received from South Carolina State University.

Mr. Johnson has worked in the field of accounting for nearly 10 years before entering the classroom last year. This is his second year at Felton Laboratory School. He serves as the Middle School Math lecturer and has supervised pre-step and student teachers that are interested in pursuing a career in math education.

Mr. Johnson is a firm believer that all children can learn given a learning environment. He believes that faculty and staff must be aware of all aspects of the school environment in order to provide the best possible chance for our children to reach their maximum potential.
