Notes/Questions:														
For CIP 131309, there were 2 (IT) students in the cohort. Should the IT students be included in the fall 2011 data for this particular request or is it TED only?														
For CIP 131314, there were 14 (PE) students in the cohort. The 2 students completers graduated in a different major (PEAM & PESC) which is coded to the same CIP code (131314)														
For CIP 270101, there were 12 (MED) students in the cohort. The 4 students completers graduated in a different major (MATH) which is coded to the same CIP code (270101)														
For CIP 400501, there was 1 (CHED) student in the cohort. The 1 student completer graduated in a different major (CPHCP which is coded to the same CIP code (400501)
