An Open Letter to Students and Prospective Students

South Carolina State University has a long-standing tradition of producing leaders for the State of South Carolina, the nation and the world. For more than 100 years, South Carolina State University has produced leaders in all major professions, including doctors, lawyers, scientists, educators, military officers, legislators, professional athletes, artists, musicians, business executives and administrators. Today, this state assisted comprehensive land-grant university is still committed to educational quality and personal development. We are large enough to offer almost 60 degree programs but small enough to value the importance of a caring and nurturing learning environment. We provide both quality and caring at a most reasonable cost. In fact, our tuition and fees are among the lowest for state-supported four-year institutions in South Carolina, making us one of the best values in higher education. In addition to cost, there are many other advantages for attending SC State. For example, a wide range of programs and courses are offered at times which are convenient for full-time and part-time students

- All academic programs are fully accredited by the Southern Association of Colleges and Schools.
- All classes are taught by highly qualified faculty with academic and professional credentials in their disciplines.
- Learning resources are provided through a state-of-the-arts library and computer laboratories which are available for use by students and faculty.
- Opportunities to explore personal interests are provided through more than 75 student organizations.
- Cultural enrichment is provided through our museum/planetarium, performing arts series by campus groups and lyceum guests, and lecturers.
- Championship caliber intercollegiate athletic programs provide opportunities for active and spectator participation.

If you are seeking an institution of unquestionable academic quality and one with a family-like environment that emphasizes developing the total student, then South Carolina State University should be your choice. We can help you fulfill your dreams and career aspirations. Please provide us the opportunity to help meet your higher education needs by calling our Office of Admissions and Recruitment at (803) 536-7186 or our Registrar's Office at (803) 536-7185.

Sincerely yours,

Alexander Conyers, President

This Schedule of Classes and Campus Guide, subject to any amendments, additions or deletions, shall be for Fall 2025. Failure to notify the University before the end of the 100% refund period will result in the student being responsible for late fees and charges. All students who fail to officially withdraw from a course or University are subject to the Grading Policies outlined in the University Catalog.

It is the student’s responsibility to check all fees and validate enrollment via Bulldog Connection and the University Catalog. A student is not officially registered until all fees are paid and enrollment validated prior to the registration deadline.

When making a Registration Change, it is the student’s responsibility to ensure that the proper form has been processed by the published deadlines on the Academic Calendar.

Should you decide not to attend a class or not come to school after you have officially completed Registration, **you must drop the course on Bulldog Connection. To withdraw from the University, it is necessary to complete a University Withdrawal Form.** These procedures should be followed even if you registered and are unable to return.

The federal return policy requires that a portion of financial aid funds be returned to the appropriate program upon a recipient’s withdrawal from the university. The amount to be returned is based on the percentage of enrollment completed for that term and the amount of financial aid assistance considered earned.

South Carolina State University Tuition Deferred Payment Plan

New and Current Students

SC State University is proud to be able to offer a payment plan to students for payment of their university bill. This payment plan makes it convenient to make monthly payments to the University over the course of the year. They also make payments easy to manage by allowing students to enroll. A payment plan will allow you to spread your educational expenses for fall and spring semesters over monthly installments instead of paying in full at the beginning of each semester.

Student's Financial Obligation

Students are expected to meet financial obligations to the University within the designated time allowed. Registration fees are payable before classes begin. Students are not entitled to enter classes or laboratories until their fees and deposits have been paid. Failure to pay the amount owed in the allotted time, may result in any or all of the following:

1. Dismissal from the University,
2. Withholding of future registration privileges,
3. Withholding the issuance of grades or of an official transcript,
4. Withholding the conferring of a degree and/or,
5. Invalidation of meal card.

Once a student registers, he or she is responsible for the total fees assessed regardless of whether the Tuition Pay Plan is used. Refund percentages are applied to total fees assessed and not the amount paid. **This means that students who withdraw before paying all installments may, in the event of withdrawal, receive a bill with a balance due rather than a refund.**

CAPP for Students

What is CAPP-Curriculum Advising and Program Planning?

CAPP is an advising tool used by students, faculty and the Staff of the Registrar's Office to evaluate coursework against degree requirements. CAPP produces a report reflecting academic progress toward completion of an undergraduate degree in the student's declared or proposed major. The CAPP degree evaluation report shows how SC State University courses, transfer courses, and courses in-progress apply towards degree requirements. Also, coming soon for Graduate Students.

Important Reminders

- CAPP degree evaluations are not official. For undergraduate students, final approval for graduation is determined by the Registrar's Office in collaboration with academic departments. For graduate students by the School of Graduate Studies.
- CAPP degree evaluation does not take the place of regular academic advising with your academic advisor.
- CAPP degree evaluation does not take the place of personal tracking of your degree progress as outlined in the University Catalog - [University Catalog](#).
- For additional help, please email CAPP questions and concerns about graduation to registrar@scsu.edu.

Frequently Asked Questions

If, after reviewing these questions and answers, you need additional information, please contact the Registrar’s Office at 803-536-7185 or 803-536-8494.

Who can use the CAPP degree evaluation?

All degree seeking students and current faculty and/or staff can advise students.

Why are some courses hyperlinked on my degree evaluation and some are not? How can I see the descriptions for all courses in my program?

The system only hyperlinks courses that you have not yet taken and that are specifically required (i.e., not part of a list of several courses) for your program as designated in the online [University Catalog](#). Click the hyperlinked course for a course description.

What is a “What-If” Evaluation?

The “What-If” option allows you to run an evaluation of any program and major. Students who matriculated prior to fall 2005 can select fall 2005 as the Entry Term.

What does the “Entry Term” mean? What does the “Evaluation Term” mean?

The “Entry Term” is the fall semester of the catalog year your requirements will be evaluated against. For example, students entering from Fall 2005 up to, but not including Spring 2013, would use an “Entry Term” of Fall 2005, 200610. The “Evaluation Term” is the term you expect to graduate.

Why is the Expected Graduation Date on the evaluation incorrect?

At SC State, the date does not always reflect the actual Expected Graduation Date and should be ignored. The Expected Graduation Date is set a number of years beyond the current semester so that loan companies do not put students into repayment status.

How does CAPP decide where to place the courses I have completed?

CAPP processes your courses chronologically, based on a “best-fit” approach and the way the requirements are defined. It will look through each of your courses, and then assign each course to the first requirement in your degree program that the course will fulfill.

Does the CAPP evaluation include in-progress courses?

Yes. CAPP includes all courses in which a student is registered.

Some requirements have “and” or “or” next to them. What does this mean?

A requirement with an “or” beside it means that you can take the requirement that is listed next to or the one listed above it. A requirement with an “and” next to it means that you must take both the requirement that is listed next to and the one above it.

What happens to a course when I receive an “I” (incomplete) grade?

Courses with incomplete grades appear as unused on the evaluation until a final grade has been recorded. Then the course will be used appropriately.

What do I do if CAPP lists my major incorrectly?

Please notify the Registrar’s Office if your major is listed incorrectly. To change a major, students must complete a Change of Major Form with all required signatures and submit Form to the Registrar’s Office [http://www.scsu.edu/files/ Registrar’s Office/ChangeMajor.pdf](http://www.scsu.edu/files/Registrar's%20Office/ChangeMajor.pdf).

I can only process my evaluation on one major at a time. What if I am a double major?

To evaluate a second major, use the “What-If Analysis” as noted above.

I have not declared my major yet, how can I be sure I am on track with my prospective major?

Use the “What-If Analysis” to evaluate your coursework against any major program available.

What is the overall GPA that is listed on the first page of the evaluation?

The overall grade point average is your cumulative grade point average.

What if I have a problem with my evaluation? Who should I contact?

- Your advisor or department chair
- Registrar’s Office, Moss Hall 202

Family Educational Rights and Privacy Act (FERPA) Annual Notification of Rights

The federal Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records, subject to certain specific exceptions. A student wishing to review his/her education records should submit to the registrar, academic dean or other appropriate official a written request that identifies the records he/she wishes to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official will advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records. A student may ask the University to amend a record that he/she believes

is inaccurate or misleading. The student should write the University official responsible for the record, clearly identifying the part of the record he/she wants changed and specifying how it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his/her right to a hearing as well as the hearing procedures.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without the student's consent. One exception is disclosure to other University officials who have been determined to have a legitimate educational interest in the information. A

University official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position; a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another University official in performing his/ her duties.

A University official has a legitimate educational interest if the official needs to review an education record in order to perform his/her official duties. Upon request, the University also discloses education records without the student's consent to:

- University officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes; attorney
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school; Accrediting organizations;

Q: How do you access Blackboard™ (Bb) at SC State?

A: Visit: <http://scsu.blackboard.com> and click on the User Login button. All of the courses for which you are registered will be listed within the “MY COURSES” tab.

Note: Bb student user accounts are automatically generated via the course registration and enrollment process. This means that any currently registered student should be able to access the Blackboard system using the login credentials (Username and Password) included in your university account.

Q: What if you don’t know your University login credentials?

A: From the Bb gateway page (<http://scsu.blackboard.com>), follow the instructions under “**Student Login Information**”. To resolve issues associated with your username and/or password, you must contact the IT Services Help Desk using the information found at <http://www.scsu.edu/Accounts> and/or send a request to helpdesk@scsu.edu.

Q: What if you can login to Blackboard™ (Bb), but don’t see link(s) in the “My Courses” tab to the course(s) in which you’re officially registered?

A: All of the courses for which you are registered should be listed within the “MY COURSES” tab. If that is not the case, then you should first login to your Bulldog Connection account (available at <http://www.scsu.edu/currentstudents/bulldogconnection.aspx>) to verify that you are in fact registered for those course(s).

Alternatively, if you find that you are registered, but the course(s) are still not listed within the “MY COURSES” tab, you should contact the course instructor directly to inquire as to the availability of the Blackboard course site availability.

Important Alert. Please Read!!!

Students must officially withdraw from the University if they register and then decide not to attend. Not all withdrawals result in a refund of fees. Refer to the official withdrawal dates and the University Fee Refunds Policy on Page 9 for more detailed information.

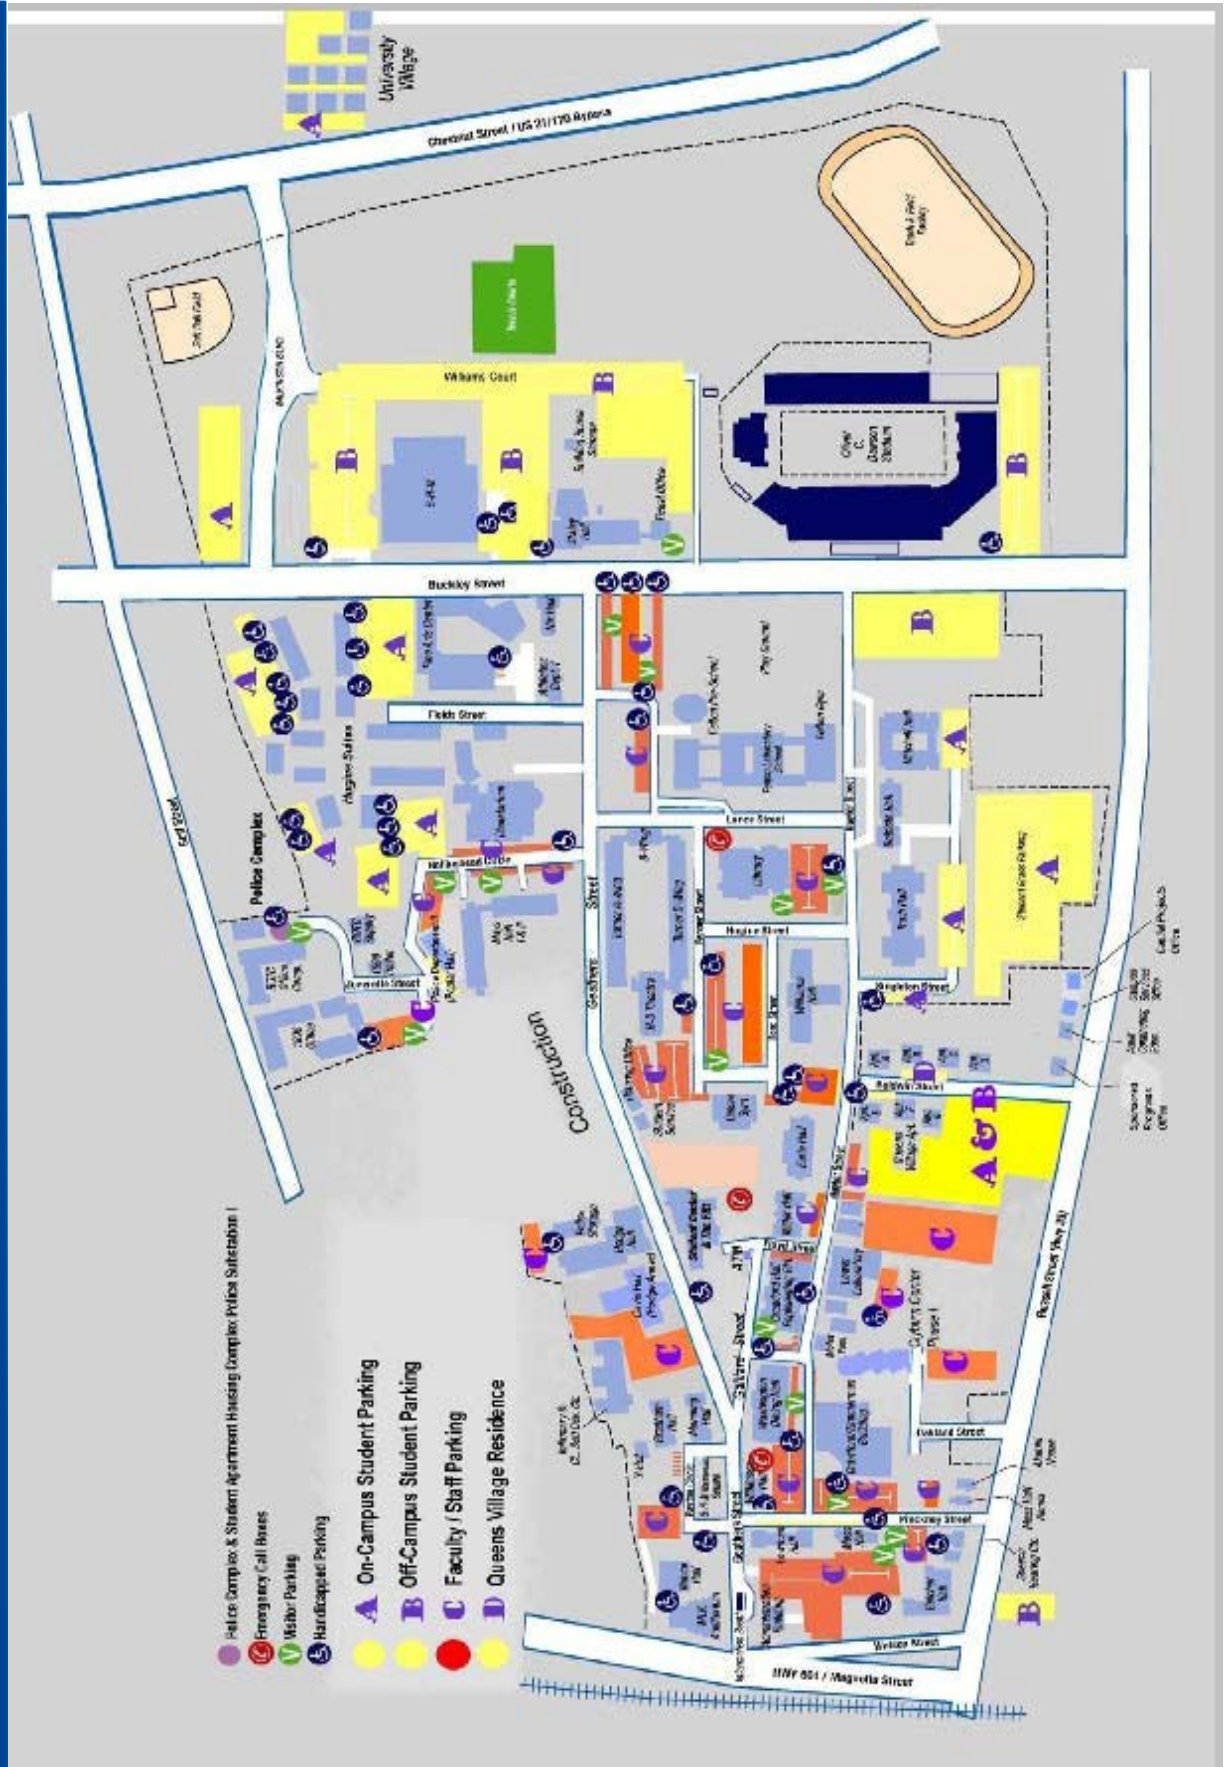

If a student is registered for a course, it is the student's responsibility, not the instructor, to officially withdraw from a course or the University if not attending. Failure to notify the University before the end of the 100% refund period can result in the student being responsible for fees and charges. Collection of delinquent accounts may be referred to collection agencies and/or the Internal Revenue Service. Students who fail to withdraw will receive grades of "UF" on their official transcript for the term of non-attendance. For more information on withdrawal procedures, please see catalog.

Students receiving financial aid who drop/withdraw from classes may be responsible for repaying of loans and other financial assistance which may have been used in paying University fees or charges. Please contact the Office of Financial Aid for more information at (803) 536-7067.

Withdrawal from the University

1. Withdrawing from the University means withdrawing from *ALL* classes that have not been completed up to that time. To understand responsibility for fees when a student officially withdraws from the University, see the Fee Refund Policy on Page 9.
2. To voluntarily withdraw from the University before the end of a semester, you must drop all your classes. **After withdrawing, please check with your instructor to make sure that your withdrawal has been successfully processed.** The official date of withdrawal will be based upon the day that the withdrawal form is received in the Registrar's Office. See the University Calendar for specific deadlines.
3. **We urge you to consult your academic adviser and/or your departmental chair prior to making the decision to withdraw from the University.**
4. If you fail to follow official withdrawal procedures, you will receive the grade of "F" for each class you were enrolled in but failed to complete.
5. Failure to attend a class will not drop you from the class. If you do not complete a Drop/Add form to drop the course by the guidelines listed here, you will be given a grade of "F" by the instructor or a grade of "UF" by the Registrar's staff. A grade of "UF" calculates in the grade point average as a grade of "F".
